

California Grazing

DESCRIPTION OF MAJOR SERVICES

The California Grazing budget funds a variety of range improvement projects such as cattle guards, fencing, pipelines, tanks and other water dispensing facilities recommended by the county's Range Improvement Advisory Committee (RIAC). RIAC is comprised of five Bureau of Land Management (BLM) lessees and one wildlife representative, and are appointed by the Board of Supervisors. RIAC recommends to the Board of Supervisors various grazing improvement projects for funding. The BLM, the federal agency responsible for leasing the grazing allotments to the ranchers, reviews the environmental impact of projects. Funding for these projects comes from fees paid to the federal government for grazing rights by ranchers under the provisions of the federal Taylor Grazing Act of 1934. A portion of the grazing fees is distributed back to the county to fund improvements on the federal lands. The county acts in a trustee capacity for these funds.
